

**Tuition Payment Policy**

The Sullivan College of Technology & Design is an independent, private, coeducational college and does not receive financial support of any kind from sources other than tuition, fees, and bookstore sales.

The College offers certificates, diplomas, associate, and bachelor's degrees of study. Enrollment agreements for minor age students (under 18 years old) must be signed by a parent or guardian.

Financial arrangements and payment terms must be completed on or before the scheduled date for entrance. No examinations may be taken and no grades may be rendered until all tuition and other fees are in order.
